

Map Your Plan Announcements and Website Message Secondary Schools

*Please use these announcements, call-outs, and messages to help promote Map Your Plan discussion at home and among students over the next few weeks. **These are suggestions—use what will best suit the needs at your campus.***

School Announcement (Week of Sept. 29)

Suggestion - repeat this announcement several times during the week or modify for different days.

Students, what's your plan? Are you on track to graduate? What about after graduation? Have you thought about what career will let you do what you love? This week in class we'll be talking about mapping *your* plans for the future, and what you need to start thinking about to achieve your goals. Map Your Plan. Work Your Plan. Achieve Your Plan.

Option for High School

Have a student say their name, what grade they're in, and state what their plan is for after graduation, as an introduction to the above announcement.

For example,

"Hey DONS! I'm senior Sally Jones. My plan is to graduate from West Texas A&M with a degree in nursing. What's your plan?"

School Website (September 22-October 10)

Post a message and a graphic of the Map Your Plan 'Graduation Scout' (jpeg attached to this email) and link to the Graduation Plans page on the District website:

New graduation plans mean more options for students. To help your child map his or her plan for the future, visit the AISD website at
